📄 SUMMARY

Adaptable and detail-focused professional bringing strong organizational skills, precision, and the ability to manage complex tasks with accuracy—qualities built through years of hands-on project work. Skilled in problem-solving, clear communication, and maintaining efficiency under pressure. Known for quickly learning new systems, adapting to changing priorities, and delivering results with consistency. Eager to bring a fresh perspective, reliability, and a commitment to quality to a dynamic desk-based role, while applying transferable skills gained from past professional experience.

💼 PROFESSIONAL EXPERIENCE

01/2023 – 07/2025
Hybrid

Course Instructor

LifeSkills It Institute

- Guided 100+ students in Web Design, WordPress, and Data Entry at LifeSkills IT Institute (01/2023–01/2025).
- Fostered a supportive learning environment across both online and offline classes.
- Mentored students who successfully advanced into professional careers.
- Provided one-on-one consultations and tailored career advice to struggling learners.
- Empowered students to define clear career paths with actionable guidance.

01/2025 – 04/2025
Remote

Web Management • Freelancer

Surgiicare BD [🔗](#)

● Custom Medical eCommerce Expertise

- Developed a fully functional WooCommerce-based medical eCommerce website tailored to client specifications.
- Transformed a premium Elementor UI Kit into a unique, branded shopping experience.
- Customized UI elements (color palette, button styles) and redesigned product, category, and checkout pages.
- Ensured a niche-specific, user-friendly design through close collaboration with the client.

● Website Performance Revival

- Took ownership of a sluggish website impacted by 100+ developers and excessive plugins.
- Audited and optimized plugin usage, media assets, and redundant code.
- Streamlined the platform with a lightweight Elementor Pro setup, minimal add-ons, and smart caching strategies.
- Delivered a fast-loading, high-performance site with improved UX, stronger metrics, and reduced maintenance overhead.

01/2024 – 05/2024

100 Miles It Institute

- Provided one-on-one consultations and tailored career advice to struggling learners.

Customer Service Exicutive (Merchant OPS)
Packly

Team Leader – Customer Care (CC) Packly

- Led and supervised a **Customer Care team** handling merchant onboarding, activation, and order management issues.
- Provided end-to-end **merchant support**, ensuring timely resolution under all circumstances.
- Coordinated **customer support operations**, including parcel tracking, urgent delivery handling, and parcel issue resolution.
- Maintained **seamless coordination between cross-functional operational teams**, including Product Approval and Order Management, to ensure smooth service delivery.
- Arranged and confirmed **hub pickups** when merchants submitted pickup requests, ensuring timely parcel movement.
- Served as the primary escalation point for **critical and complex cases**, ensuring high satisfaction for both merchants and customers.
- Monitored team performance, ensured **SLA compliance**, and maintained high service quality standards.
- Collaborated with internal teams to improve operational efficiency and reduce resolution turnaround time.

Award & Recognition

- **Best Customer Care (CC) Team Lead of the Month** – Awarded for resolving the highest number of critical issues and achieving top ratings from both merchants and customers.
